

Careers at Nua Healthcare Services - Social Care Workers

***Are you seeking an exciting and rewarding career?
Are you seeking an opportunity where you can make a real difference?
Are you passionate about delivering a first class service to our Clients?***

Then we want to hear from you.....

Nua Healthcare Services provide specialized residential, respite and day services to individuals with Aspergers Syndrome/Autistic Spectrum Disorder, Borderline Personality Disorder, Brain Injury and Mental Health issues. We strive to be market leaders in our field by providing a person centered service whilst promoting independent living in a healthy spacious country environment.

Due to exceptional growth across the service, we are seeking applications from energetic and enthusiastic individuals to join our growing staff team in the following locations:

**Dublin, Laois, Kildare, Offaly, Westmeath, Wicklow, Tipperary, Clare, Cork,
Limerick**

Note: we are actively exploring expansion to other counties

The successful candidates will be afforded all necessary training and development in line with their respective role. Candidates must demonstrate the necessary interest, capability, performance and enthusiasm in line with the requirements of the role. In addition to the above, we will also fund all relevant third level education associated to their respective role.

Competencies Required:

- Genuine respect and empathy for diversity and individuality
- Flexible, Responsible and mature approach to work
- Professional, accountable, good planning and time management skills
- Excellent Written, Spoken and Listening skills
- Excellent Problem Solving, Decision Making, Planning and Leadership skills
- Excellent Decision Making skills

In return, we can offer you;

- Excellent remuneration and benefits package
- Flexible hours
- Choice of Permanent or Relief (casual) contracts
- Mentor/Buddy support to all new employee's
- Excellent career opportunities inclusive of management positions
- Structured Management Development Program in place to support the above
